David,

The email below is the last one I have from you yesterday; can you re-send the site inspection pics?

Thanks.

Gary Miller

Good morning Carlos – I sent the email below and attached to Gary earlier today. I'll copy you next time.

Regards,
David

Subject: San Jacinto River Flows

Good morning Gary – Please see the attached from our real time monitoring system regarding rainfall and flow amounts on the San Jacinto River over the weekend. There was quite a bit of rain, but the river stayed well below the 10-year flood elevation.

Regards,
David
